Safeway & Mondelēz International Support Families in Need

Colorado Springs CO - Safeway and Mondelēz International (the maker of iconic global and local brands such as *Oreo*, *Triscuit*, *Ritz*, *Clif Bar*, and *Tate's Bake Shop*), will present a Hunger Grant check for \$10,000 to support the Marian House Kitchen and Marketplace. The presentation will be November 20 at 2 p.m. at the Marian House

In addition to the check presentation from the Safeway Foundation and Mondelez International, Safeway will discuss the Holiday Helping Nourishing Neighbors campaign which provides \$50 Gift Cards distributed to nonprofit organizations whose mission is aligned with the Safeway Foundation's priority areas. For 12 years, Catholic Charities Marian House has been a recipient of this campaign which helps families and individuals struggling with food insecurity, particularly around the holidays. In 2020, due to COVID, the program changed from delivering full turkey meals to providing gift cards, allowing families more flexibility to shop for items most important to their family's needs. Catholic Charities distributes these cards through the Marketplace pantry.

Media are invited to the Marian House property—14 West Bijou Street in Colorado Springs—at 2 p.m. Nov. 20 for this amazing show of community support. Heather Halpape, Communications & Public Affairs Manager for Safeway Denver Division, and Andy Barton, CEO of Catholic Charities, will attend the event and be available for interviews. There may also be an opportunity to interview a Marketplace client.

“Working together with community partners like Catholic Charities of Southern Colorado, vendors like Mondelēz, as well as our generous customers, we can make the holidays a little easier and brighter for thousands of families in the communities we serve,” said Heather Halpape, Communications & Public Affairs Manager for Safeway.

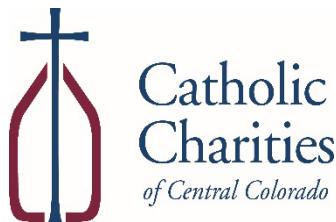

“Mondelēz and our Triscuit brand team greatly appreciate our partnership with Safeway and the Nourishing Neighbors Safeway Foundation. Through our partnership, we have been able to work together to support and nourish the local community,” said Ryan Clayeux, Customer Business Lead for Mondelēz

“We continue to be blessed by the generosity of Safeway, their customers, and partners. These donations go directly to the families and individuals who depend on the daily meal served at Marian House 365 days a year and the families who shop at our Marketplace food pantry,” said Andy Barton, CEO of Catholic Charities which operates the Marian House Campus.
