14 West Bijou Street

WHAT A DIFFERENCE  
A DAY MAKES!

Catholic  
Charities  
*of Central Colorado*

Sponsor a Day

**What a Difference a Day Make!**

By sponsoring a day at Marian House, you are providing essential services to people experiencing homelessness. Your donation helps cover all the services provided at the Marian House each day, including meals, food pantry, case management, computer assistance, and medical services.

## How It Works

Choose a day to sponsor with a donation of \$1,500.

Decide on a message to be shared on the marquee and in the dining room. This can be for a loved one, a business, a celebration or a national day.

Your message will be shared on the Marian House dining room television, on the marquee that faces Bijou Street, on five Catholic Charities social media platforms, and in the quarterly Helping Hands Newsletter. Through these venues, your message can receive up to 195,000 views/impressions.

Share the day with your family, friends, or business associates by volunteering together at Marian House on the day of your sponsorship. Get a photo taken to share, take a tour of the Marian House campus to see your gift in action, or host drives to collect much-needed items.

The sponsorship is eligible for the 25% Colorado Homeless Contribution Tax Credit (HCTC) which can reduce your tax burden while making a lasting impact on your community.

Catholic Charities began operating the Marian House Kitchen in 1994. The kitchen serves around 300 meals a day to those in need 365 days a year.

**“Because of you, I have a warm meal at Marian House every day. Thank you!” - Ed**
